

DUTY OF CARE

PURPOSE

The purpose of this policy is to explain to our school community the non-delegable duty of care obligations that all staff at Rowellyn Park Primary School owe to our students and members of the school community who visit and use the school premises.

SUMMARY

- All staff working with students owe a duty of care to those students.
- All staff must take reasonable steps to reduce the risk of reasonably foreseeable harm to students.
- All staff must take reasonable precautions to minimise the risk of child abuse by an individual associated with the school.
- The requirement to take reasonable steps to reduce the risk of reasonably foreseeable harm, continues even when another party is involved (for example, a third party providing services for an excursion or school camp).
- In some circumstances, a school's duty of care will extend beyond school hours and outside of school grounds.
- Principals of Victorian government schools and DET staff can seek legal advice about their particular circumstances from the Department's Legal Division on [03 9637 3146](tel:0396373146) or legal.services@education.vic.gov.au

LEGAL BACKGROUND

'Duty of care' is an element of the tort of negligence. In broad terms, the legal position is that if a person is injured as a result of a negligent act or omission of another, the injured person should be compensated for loss and damage flowing from that negligence.

POLICY

"Duty of care" is a legal obligation that requires schools to take reasonable steps to reduce the risk of reasonably foreseeable harm, which can include personal injury (physical or psychological) or damage to property. The reasonable steps that our school may decide to take in response to a potential risk or hazard will depend on the circumstances of the risk.

Our school has developed policies and procedures to manage common risks in the school environment, including:

- Yard duty and Supervision
- Bullying Prevention
- Camps and Excursions
- First Aid
- Tree Maintenance
- Grounds Maintenance
- Student Private Property

- Child Safe Standards
- External Providers
- Emergency Management
- Volunteers
- Visitors
- Working with Children and Suitability Checks
- Mandatory Reporting
- Occupational Health and Safety
- COVID 19 Return to School

Staff at our school understand that school activities involve different levels of risk and that particular care may need to be taken to support younger students or students with additional needs. Our school also understands that it is responsible for ensuring that the school premises are kept in good repair and will take reasonable steps to reduce the risk of members of our community suffering injury or damage because of the state of the premises.

School staff, parents, carers and students are encouraged to speak to the principal to raise any concerns about risks or hazards at our school, or our duty of care obligations.

DUTY OF CARE TO STUDENTS OUTSIDE THE SCHOOL

In some circumstances, the duty of care owed by school staff will extend beyond school hours and outside of school grounds. Whether the duty extends outside of school hours or outside school grounds will depend on all the circumstances of each individual case, and the school staff members' knowledge of any reasonably foreseeable risks of injury.

For example, in some circumstances the Department may be liable for injuries to students in the playground before school begins for the day if they occur during the period of time for which the school yard is supervised.

EXTERNAL PROVIDERS

Staff at our school acknowledge that, as our duty of care is non-delegable, we are also required to take reasonable steps to reduce the risk of reasonably foreseeable harm when external providers have been engaged to plan for or conduct an activity involving our students. Our *Visitors Policy* and *Camps and Excursions Policy* include information on the safety and care of our students when engaged with external providers. Our school also takes steps to ensure student safety when they are engaging in off-site workplace learning programs with external providers, such as when students are participating in work experience, school-based apprenticeships and traineeships, structured workplace learning and any other workplace learning program involving external providers. Our School will follow all applicable Department of Education and Training policy and guidelines in relation to off-site learning and will ensure that the safety and welfare of the students engaging in these activities is paramount.
