VISION

Empowering students in a caring community where learning is everywhere, opportunities are varied, and character is developed.

MISSION

We aim to immerse families in a wholesome primary school journey filled with memorable experiences and challenging opportunities – a place in which children are supported to develop life-long friendships.

We gain the highest level of job satisfaction from helping children become literate and numerate, valuing a hands on approach, with a practical emphasis on how their learning is useful in the 'real world'.

We have built an inclusive culture in which diverse backgrounds are celebrated and individual social, emotional, physical and cognitive needs are met.

As a genuine community with a shared sense of responsibility for the future of our children, we enjoy a unique family feel.
