POLICY

School profile

Rowellyn Park Primary School is situated in a quiet suburban setting in Carrum Downs in the City of Frankston, within the growth corridor southeast of Melbourne. The school opened in 1992 with an enrolment of 420 and experienced significant growth to peak at 854 within six years. Student numbers have since steadied and an agreed neighbourhood boundary has been established between local schools and DET. The current enrolment stands at 752.

The staff comprises a full time Principal, three Assistant Principals, and a diverse staff including part time and full time classroom and specialist teaching staff, and Education Support staff. The staff is vastly experienced, with the average amount of time spent at Rowellyn Park exceeding 15 years

of service. The school has strong community support and all family members have the opportunity to be involved in school activities and programs.

The school provides a safe and friendly learning environment, where the strengths and weaknesses of individual students are known and taken into account in designing school programs and implementing pedagogical approaches.

The school's buildings are designed around the perimeter of an attractive central courtyard, seating and playground areas. The classrooms, which are structured in pairs to promote teaming, flexible groupings and collaborative learning, provide invitational and well-organised learning spaces adorned with displays of children's work. A refurbishment cycle has seen the upgrading of facilities and the grounds are superbly maintained. The Banyan Centre, our Foundation Learning Centre, was completed in 2010. In 2020 the construction of a new Gym was completed with a refurbishment of the old gym into a new STEAM Centre.

A highly effective School Council provides strong support and leadership to the school community. The management of the Out of School Care program provides vital financial benefits enabling a range of school improvements to be implemented.

At Rowellyn Park Primary School our positive school culture is predicated on student engagement being the basis for learning. To support this, our leadership team is actively engaged in developing classroom practice to ensure that our pedagogy and curriculum engages all students. Effective teaching, inclusive and engaging curriculum and respectful relationships between staff and students is promoted through learning circles and professional learning teams that encourage innovative pedagogy developed using the E5 instructional model, rich assessment tasks, explicit instruction, inquiry learning, the thinking curriculum and the Victorian Curriculum.

School values, philosophy and vision

Rowellyn Park's Statement of Values and School Philosophy is integral to the work that we do and is the foundation of our school community. Students, staff and members of our school community are encouraged to live and demonstrate our core values of respect, responsibility, resilience and reflection at every opportunity.

Our school's vision is that we are a caring community, where learning is everywhere, opportunities are varied and character is developed

Our Statement of Values is available on our school website.
